Between Chance and Structure

Credits & Materials

Software, plug-ins, audio sources, and production hardware used in this project.

Software & Platforms

- Max/MSP - Max 9
- VCV Rack

VCV Rack Modules

- VCV Audio 2
- Valley Plateau
- VCV ADSR EG
- VCV VCA
- ALM Busy Circuits MCO
- Surge XT VCF
- Alright Devices Zzzorb
- 4ms Tapographic Delay (Tapo)
- trowaSoft cvOSCcv
- Venom Slew
- Bogaudio MIX4
- MindMeld MixMasterJr
- MindMeld AuxSpanderJr

DAW & Audio Processing

- Ableton Live 12
- FabFilter Pro-Q 3
- Valhalla VintageVerb
- Ableton Live native plug-ins

Production Tools

- BlackHole - Internal audio routing and loopback recording
- draw.io - System architecture diagrams
- OBS Studio - Screen recording
- CapCut - Demonstration video editing
- DJI Pocket 4 - Source of some materials and audio files by myself

Audio Sources

- https://www.ear0.com/
- Soundly https://getsoundly.com/

Audio Source Register

Long-form ambient recordings used for the Forest, Rain and Steampunk scene profiles

Forest (A)

A_01 Forest Night Ambience - Ear0, Sound ID 19048

A_02 Wind Blowing Through a Forest - Ear0, Sound ID 13135

A_03 Forest Environmental Ambience - Ear0, Sound ID 15210

A_04 Original Field Recording - Self-recorded with DJI Pocket 4

A_05 Rural Orange Plantation Ambience: Birds, Insects, Filtered, Hot Sunny Day, Cotui, Dominican Republic - Soundly, SND128693

Rain (B)

B_01 Rainy Day - Ear0, Sound ID 40941

B_02 Light Rain - Ear0, Sound ID 43524

B_03 30-Second Light Rain Sample + Light Rain Droplets - Ear0, Sound IDs 19314 and 36692

B_04 Light Rain on Concrete with Light Wind - Soundly, SND47478

B_05 Light-to-Moderate Rain on Vegetation, Drizzle and Dripping Leaves 02 - Soundly, SND137616

Steampunk (C)

C_01 Rhythmic Industrial Noise - Ear0, Sound ID 14901

C_02 Industrial Robot-Arm Operation - Ear0, Sound ID 17713

C_03 Industrial Machinery Noise - Ear0, Sound ID 15084

C_04 Industrial Roadheader: Turn On/Off, Guido Coal Mine 02, Perspective 1 - Soundly, SND164136

C_05 Industrial Roadheader: Turn On, Guido Coal Mine, Poland 01 - Soundly, SND164137

Short Event Samples

S_01 Quiet Forest - Ear0, Sound ID 20383

S_02 Monkey in a Forest - Ear0, Sound ID 42284

S_03 Forest After Rain - Ear0, Sound ID 43052

S_04 Forest Squirrel Calls - Ear0, Sound ID 20413

S_05 Industrial Construction Site - Ear0, Sound ID 14243

S_06 Industrial Roadheader: Turn On/Off, Guido Coal Mine 02, Perspective 2 - Soundly, SND164135

Drum section

IDM Rack Samples

I_01 Soundly - 23 source assets covering Foley, footsteps, cloth, UI sounds, electromagnetic noise, metallic and cinematic impacts, and designed effects; individual SND IDs are retained in the Ableton Live project metadata

I_02 Cymatics - sample libraries

I_03 91Vocals - Lofi Beats and Chill

I_04 91Vocals - Pink Ash: Lofi House

I_05 EDM Templates - Code Black Midtempo

I_06 Samplestar - Tokyo City Pop Tapes Vol. 2

I_07 Oversampled - Hyperwaves

I_08 Prime Loops - The Lo-Fi Bundle / Lo-Fi Jazz Hop XXL

I_09 Prime Loops - NIGHTISM

I_10 Prime Loops - TAKESHIDO Manga Melodies

I_11 Soul Rush Records - Dark Minimal Liquid DnB

I_12 BFB Impacts collection - BFB_Impacts_C_07.wav

I_13 Faucet_WaterFlow_Underwater_07.wav.wav

I_14 CocktailShaker_SpoonScrape_01.wav.wav

Processing note: The 57 IDM Rack sounds were created by editing, reversing, resampling, layering and processing source material in Ableton Live 12. This register lists the source libraries and identifiable originals rather than every derived file.

Drum Samples

D_01 Cymatics - King of Beats 2025 Hip-Hop Edition Contest Kit

D_02 Cymatics - TRAP GODS 2

D_03 Cymatics - SOLACE Lo-fi Bundle

D_04 Famous Audio - Dark UK Bass

D_05 IQ Samples - Melodic Trap DNA

D_06 Epic Sound Effects - AURORA Cinematic Texture Toolkit

D_07 Production Master - Wild Trap II (licensed through Black Octopus Sound)

Processing note: The drum library contains 42 one-shot samples: ten kicks, ten snare/clap sounds, ten closed hi-hats, six open hi-hats and six cymbals. Filenames were retained in the Max project and matched against the local sample archive.
